

Advanced Human Anatomy, Physiology and Pathology Correspondence Course

Course Curriculum

-Advanced Cell Biology and Histology	21 hours
-Advanced Anatomy, Physiology and Pathology of the Digestive System: ADII	21 hours
-Advanced Anatomy, Physiology and Pathology of the Lymphatic System: ALII	21 hours
-Advanced Anatomy, Physiology and Pathology of the Endocrine System: AEII	21 hours
-Advanced Anatomy, Physiology and Pathology of the Cardiovascular System: ACII	21 hours
-Advanced Anatomy, Physiology and Pathology of the Muscular System: AMII	56 hours
-Advanced Anatomy, Physiology and Pathology of the Skeletal System: ABII	56 hours
-Advanced Anatomy, Physiology and Pathology of the Nervous System: ANII	56 hours
-Anatomy, Physiology and Pathology of the Reproductive Systems: ARI	21 hours
-Anatomy, Physiology and Pathology of the Urinary System: AUI	21 hours
-Advanced Anatomical Kinesiology: AKI	42 hours

Course Quizzes x 42 22 hours

Total credit: 379 hours
